The 4<sup>th</sup> Annual**DOSE OF THE VALLEY**

February 21-22, 2018 | San Francisco, CA

The Consulate General of Canada is pleased to accept applications for our fourth annual **Dose of the Valley** program. This two-day Life Sciences event includes roundtable discussions, industry-led workshops, one-on-one mentorship, an investor/partnering pitch session, and networking.

This is a unique opportunity for innovative Canadian companies to engage with industry contacts who will be mentors, speakers, and panelists. Up to 20 companies will be selected for the program. Life sciences companies focused on biotech, med tech, digital health, imaging and diagnostics are invited to apply.

**How to apply:** please complete the following application form:
