

## WOMEN IN THE BUSINESS OF HEALTH SCIENCE BOOTCAMP

HOSTED BY THE OBIO® WIHI PROGRAM

SEPTEMBER 12 – 16, 2022

VIRTUAL BOOTCAMP

### ARE YOU A WOMAN LOOKING TO KICKSTART YOUR CAREER IN HEALTH SCIENCE?

If you are a recent graduate looking to transition into the health science industry or have started a new role, apply for the OBIO® Women in the Business of Health Science Bootcamp.

Designed to support women in the health and life sciences workforce, this program provides intensive business training and mentoring to women entering the workforce by subsidizing (up to \$20,000 CAD\*) a six-month job placement with a health and life sciences company.

**APPLY BY AUGUST 25, 2022.**

LIMITED SPOTS AVAILABLE.

*\* Conditions apply - please refer to the employer eligibility criteria for wage subsidy.*

**Bootcamp participants will gain a better understanding of:**

- The overall execution of strategic objectives
- The operation and management of a health science company
- How to leverage their existing skill sets to pursue and succeed in a career in health science

**APPLY NOW** >
